Dear Glenbrook Membership and Faculty,

Please find enclosed the new tuition schedule for school year 2019 – 2020. We are sending this information to our membership as a “soft release” in order to answer any and all questions. We have scheduled each current family’s tuition situation as we know it to be correct. If you have questions after studying the schedule, please contact Kim Floyd at the school office.

It is our hope that with this new tuition schedule we will be able to retain more high school students, reward academic excellence with the new ACT discounts, and further reward loyalty to Glenbrook School with the new Loyalty Stipend. These efforts are being made as an assurance by the Glenbrook School Board of Trustees to explore different avenues of growing our school in all aspects to continue improving upon excellence.

We hope this information is something you will share with your family, friends, coworkers, and neighbors. Thank you for your continued devotion to this place so many of our children, faculty and staff call home, and please help us promote Glenbrook School in a positive light.

In closing, and to reiterate, our unwavering commitment is to stand behind Glenbrook School. We are incredibly proud of Glenbrook and all that it has accomplished and you should be as well. We remain,

Sincerely,

  
James D. Madden
