Glenbrook School is in the process of developing a succession plan for the position of Head of School and of restructuring the Assistant Head of School position. If you know of an individual that would be a good candidate for these positions, please forward that information to the email address listed below.

Located in Minden, Louisiana, Glenbrook School is a college preparatory school with an enrollment of 448 and faculty and staff of 51. We also have a Pre-K program housed at the Minden Montessori of Glenbrook School campus. Glenbrook School is accredited by the Louisiana State Department of Education as well as COGNIA and is a member of the Louisiana High School Athletic Association.

Since before the first senior class graduated in 1971, Glenbrook teachers and coaches have been investing in the lives of our students. We have encouraged our students to pursue their goals through rigorous and robust programs in academics as well as athletics.

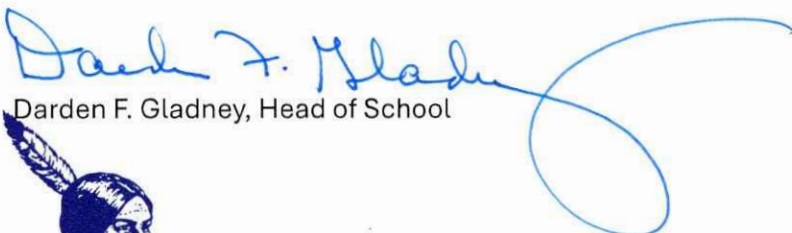

In the classroom we strive to challenge our students to develop the skills of critical thinking, collaboration, and creativity, preparing them for the ever-changing world ahead. Outside the classroom our students are encouraged to grow through participation in the arts, athletics, and community service projects.

The Glenbrook School staff strives to promote a family-oriented atmosphere established by our rich heritage while promoting a foundation of learning which will lead to a promising future.

The following statement simply describes our goals...to equip the students for life-long learning and the building of character through rigorous instruction in academics, accountability, and attitude. We strive each day to cultivate a family of students that work together in a safe and challenging learning environment which encourages dignity, enthusiasm, involvement, independence and responsibility through high expectations and cooperation.

Resumes may be emailed to: employmentopportunities@glenbrookschool.com

Thank you for your help in this matter.

Darden F. Gladney, Head of School
